A.D. Morrison & Associates Ltd.
Consulting and Software Solutions for First Nations Since 1992

Homemakers Payroll
& Claim Form Calculator

Payroll Worksheet Features

- Configure the overtime, statutory holiday, vacation pay, and E.I. percentages, as well as the monthly income of the individuals receiving the service
- Each worksheet contains fields to enter up to 20 homemaker staff and for each staff person you can enter the following:
  - Wage rate
  - Regular hours
  - Overtime hours
  - Statutory holiday hours, including amount paid for a statutory holiday not worked
  - Taxable travel allowance and mileage
  - Non-taxable travel mileage
  - Employer's CPP contribution
  - Other benefits paid such as WSIB, pension, etc.
- If the hours worked are generally the same each week, you can save time entering the hours and related items by copying the previous week's worksheet to use the same information as before
- The worksheet can be previewed, printed, or saved as a PDF which can then be emailed directly from the software
- Program is compatible with Windows XP, Vista, Windows 7, 8, 8.1, and 10

Claim Form Features

- Allows you to import the values entered on the Payroll Worksheet to facilitate quicker data entry
- The software automatically calculates numerous fields on the form
- The Claim Form can be previewed, printed, or saved as a PDF which can then be emailed directly from the software
