

A.D. Morrison & Associates Ltd.

Consulting and Software Solutions for First Nations Since 1992

Elections Management

Run your elections using a software program that generates everything you need quickly and easily

Software Highlights

- Import voter and candidate information from an external source
- Generate voter information cards and ballots
- Use the software in single polling station mode or in multiple polling station mode
- Quickly tally votes onscreen with the click of a mouse or by using the optional barcode scanner
- Multiple polling stations can tally the votes at their respective stations and then upload the results for downloading by the master polling station to determine the final results
- Program is compatible with Windows XP, Vista, Windows 7, 8, 8.1, and 10

Reports

Voter-Based Reports

- Voter Information Report - for all voters and with option to group by region
- Voter Information Card
- Identify Potential Problems With Voter Information

Candidate-Based Reports

- Candidate Information Report - for all candidates or grouped by region
- Identify Potential Problems With Candidate

Miscellaneous Reports

- Ballots for Candidates
- Mail-In Ballot Checklist
- Voter Declaration Form
- Infirm or Incapacitated Voter Declaration Form
- Nominee Declaration Form
- Election Results

All reports can be saved in PDF format for archiving or for emailing
