Housing Rentals Management

Manage your housing rentals with this straightforward program

Software Highlights

- All information is easily viewable and organized under tabs
- The tenant's information, the date of occupancy, the rental term starting and ending dates, and the monthly payment amount can all be entered
- Record payments made and issue receipts
- Enter any additional information or comments under the Notes tab
- Allows for modification or deletion of tenant information and of payments made, if required
- Recalculate the balance for a client after entering payments
- Generate a variety of reports for a client or for all clients detailing the tenant information and complete payment history
- Program is compatible with Windows XP, Vista, Windows 7, 8, 8.1, and 10

Reports

- Generate a detailed report of payments made by an individual client or by all clients in a certain month, in a year, or for all years
- Generate Year-End Statements for a client or for all clients that detail the opening balance, a listing of payments received, and the closing balance at year end
- Generate an Arrears Statement for a selected month and year which will display the client's opening balance, the annual amount that should have been paid, any payments made to date, and the amount in arrears
- All reports can be previewed, printed, or saved as a PDF

About Us

A.D. Morrison & Associates Ltd. has been providing consulting, hardware, and software solutions to First Nations since 1992. We offer a number of off-the-shelf software products, but we also specialize in creating custom software to suit your exact needs.
