Reservations Manager

The ideal guest reservation solution for independent accommodation properties

Software Highlights

- Easy to navigate icon-based home screen
- Set up guest room information under the Rooms icon
- Choose between two different room rate calculation options and input the desired rates
- Enter and maintain contact information for guests under the Guest Database icon
- Create, modify, cancel, and delete reservations under the Reservations icon
- View Availability option to check the availability of all rooms for a selected month
- Easily select a room along with the check-in and checkout dates for a guest
- Input a discount and/or an additional charge for a reservation
- Record deposits and/or a purchase order number for a reservation
- Filter reservations by All, Active/Upcoming, Paid, Unpaid, or Cancelled
- Print reservation and cancellation confirmations or save them as PDFs to email to guests directly from the software
- Print, save, or email statements indicating full reservation details and payment status
- Software can be used by up to two users with each user having his/her own login profile
- Software is compatible with Windows XP, Vista, Windows 7, 8, 8.1, and 10

Reports

- Guest Contact Information
- Room Information
- Unpaid Reservations
- Paid Reservations by Date Range
- Upcoming Reservations by Date Range
- Cancelled Reservations by Date Range
- All reports can be printed or saved as a PDF
