Homemakers Payroll & Claim Form Calculator

Payroll Worksheet Features

- Allows for configuration of the overtime, statutory holiday, vacation pay, and E.I. percentage rates
- Each worksheet contains fields to enter up to 20 homemaker staff and for each staff person you can enter the following:
 - Wage rate
 - Regular hours
 - Overtime hours
 - Statutory holiday hours, including the amount paid for a statutory holiday not worked
 - Taxable travel allowance and mileage
 - Non-taxable travel mileage
 - Employer's CPP contribution
 - Other benefits paid such as WSIB, pension, etc.
- If the hours worked are generally the same each week, you can save time entering the hours and related items by copying the previous week's worksheet to use the same information as before
- The worksheet can be previewed, printed, or saved as a PDF which can then be emailed directly from the software
- Program is compatible with Windows XP, Vista, Windows 7, 8, 8.1, and 10

Ontario Ministry of Health and Long-Term Care Claim Form 2860-69

- Allows you to import the values entered on the Payroll Worksheet to facilitate quicker data entry
- The software automatically calculates numerous fields on the form
- Allows for entry of the total available monthly income of clients served (this figure can be obtained from the MOHLTC Form 4 for each client)
- The form can be previewed, printed, or saved as a PDF which can then be emailed directly from the software
